

Your Feedback is Requested!

We are seeking your input/feedback which will influence the way ahead for the 84th Railsplitters Association, Ltd. We understand that COVID pandemic has prompted some to alter your participation and travel. The past couple of years we have seen a decline in attendance at some of our functions. A lower-than-expected attendance requires us to supplement event costs that are not covered by our attendees. With that in mind, this is a good time to reiterate our Mission Statement.

- **To promote fellowship among members (past, present and future) of the former 84th Division (Training) and/or its successor commands.**
- **To support charitable organizations which benefit current or former members of the United States military.**
- **To hold in patriotic reverence the memory and spirit of those who served in the 84th Division (Training) and/or its successor commands.**

Request you take a few minutes to complete the survey and return it to:

1160 Apple Tree Lane

THANK YOU!
